

Commonwealth of Virginia Hazardous Materials Training Program
 Incident Analysis Worksheet – Incident Conditions Profile

Container Information

Container Type				_____			
Capacity	Non-bulk	_____		Bulk	_____		Capacity
Pressure	Non-pressure	_____		Pressure	_____		Working Pressure
		_____			_____		_____

Work Conditions

Time		Hour _____	Day _____	Season _____	
Outside Conditions			Inside Conditions		
Temperature	_____			Type of structure	_____
Wind	Direction	_____	Speed	_____	
Humidity	_____			Location in structure	_____
Precipitation	_____				_____
Terrain	Type	_____		Slope	_____
Physical Hazards					
Energy Sources			Work Environment		
Thermal	_____		Heat / Humidity Stress	_____	
Electrical	_____		Visibility	_____	
Mechanical	_____		Noise	_____
