SUBJECT: FY11 EMPG Requirements Frequently Asked Questions (FAQs) - EMPG Grantees Only

In July 2011 FEMA released the FY2011 Emergency Management Performance Grant (EMPG) guidance document. Several questions were raised pertaining to the language regarding exercises and how it effects local governments. VDEM is pleased to announce that this requirement has been revised and pertains to the State Emergency Management Department only.

LEMPG recipients will not be required include any additional exercise reporting in your quarterly report submission. In addition, to affectively report on progress made throughout the performance period the LEMPG Final Report will not be due until the end of the performance period. Please retain this notification for your files.

Please find a copy of the frequently asked questions (FAQs) document which was developed by FEMA at <<Charmaine will need to provide>>>
