COMPREHENSIVE PROJECT DESCRIPTION

Describe how the education/training is 9-1-1 and/or GIS specific and how it will benefit the employees and/or PSAP.

It is anticipated that we will need to train new or existing dispatchers to get their certification in the Medical Priority Emergency Dispatch certification. We are including this as part of the grant request to have the option if there is any funding remaining after the conference or if something happens that we cannot use the conference fund. This would allow us to redirect funds to the Medical Priority training if needed. The grant will allow us to accomplish this objective if funding is left.

education/training benefited the employees and/or PSAP.

A large, empty rectangular box with a thin black border, intended for providing details on how education or training benefited employees and/or PSAP.
