COMPREHENSIVE PROJECT DESCRIPTION

Describe how the education/training is 9-1-1 and/or GIS specific and how it will benefit the employees and/or PSAP.

Without the PEP funding our PSAP would not be able to send 911 dispatchers to the APCO/NENA conferences. These conferences are an excellent source for 911 professionals to see and discuss latest trends and technologies in the 911 world. Also a great time to learn the latest topics and talk with peers. These conferences are very important to the overall health of the PSAP and 911.

EVALUATION

Describe the evaluation process to determine if participation in this 9-1-1/GIS education/training benefited the employees and/or PSAP.

Upon returning from training and/or conferences, our staff report to the 911 Director or Deputy Director on how the training/conference went, what was learned, and we discuss any potential ideas or suggestions the employees come back with that we may consider implementing or researching further for our PSAP.
