Re: Extension of Registration Period for Motor Vehicles Registered in Virginia

As part of Virginia's continuing response to the COVID-19 pandemic, Governor Ralph S. Northam today directed the Department of Motor Vehicles to, among other things, extend by 60 days the validity period of vehicle registrations due to expire on or before May 15, 2020. The extension applies to vehicles registered under the International Registration Plan.

We ask that law enforcement agencies in all IRP member jurisdictions refrain from taking action against vehicles with Virginia apportioned license plates expiring in March and April 2020, until the 60-day extension period has ended.

Questions concerning the extension may be directed to Patrick Harrison, Assistant Commissioner for Motor Carrier Services, at 804-249-5115 or patrick.harrison@dmv.virginia.gov.
