

**PSAP Grant Program
Decision Brief**

Type of Request: NG9-1-1 Funding Award Amendment	Date Submitted: February 7, 2020
PSAPs: City of Emporia	Amount of Request: \$843,991.53
Staff Recommendation: Approve	

1. Briefly define the problem/issue:

ISP staff is requesting that the funding award for the City of Emporia be amended to include a revised connectivity quote of \$1,422,244. The locality originally had a connectivity quote from Verizon for \$578,252.47. If approved by the Board, the amount of the revised funding award would be \$1,570,586.34. This revised funding award includes \$843,991.53 in additional funding for connectivity.

2. Background (include important dates):

Emporia's NG9-1-1 Migration Proposal (MP) contained an initial quote of \$578,252.47 from AT&T for diverse connectivity. Since receiving the MP, the locality was awarded NG9-1-1 funding and selected a NG9-1-1 solutions provider. As part of the deployment process, the locality's NG9-1-1 service provider, AT&T, reached out to Verizon for a revised quote.

3. Major Considerations:

None.

4. Recommended action:

Ask PGC to concur with staff's recommendation and recommend approval of the amendment request by the 9-1-1 Services Board at their next meeting.

5. Alternatives to recommended action:

None.
